## [Intermediate Consignee – Conditional Section](#)

The Intermediate Consignee is the person or entity in the foreign country that acts as an agent for the principal party in interest with the purpose of effecting delivery of items to the Ultimate Consignee. This section requires information similar to the “Ultimate Consignee” section.

## [Freight Forwarder – Conditional Section](#)

The Freight Forwarder is a U.S. entity with Power of Attorney or written authorization filing on behalf of the USPPI. If the USPPI is filing, there is not a Freight Forwarder. There is only a carrier.

**Note:** *The Intermediate Consignee and Freight Forwarder are conditional sections. Populate them **ONLY** if they are applicable.*

## [Equipment Details – Optional Section](#)

(for Filer’s use)

## Commodity Line(s) – Mandatory Section

Choose “Add Commodity Line” from list and select “**Edit Section.**”

**Commodity Line 1** will appear in the selection box. Up to 99 commodity lines can be added per shipment.

**Note:** A shipment is defined as merchandise shipped from one USPPI to one consignee in a single country of destination, on a single carrier, on the same day, valued over \$2500 per Schedule B, or when a license is required.

Once you complete the commodity line(s), select the “**View EEI**” button beneath the section selection box.

## Pop-Up #3

Once you submit the EEI, you will receive 3 pop-up windows. You MUST receive all 3 in order for your shipment to be transmitted to AES.

The screenshot displays the AESDirect Assistant interface. On the left, there is a sidebar with a scrollable list of sections: Shipment Information, USPPI, Ultimate Consignee, Intermediate Consignee, Freight Forwarder, Equipment Details, Add Commodity Line, and Commodity Line 1. Below this list are buttons for 'Edit Section' and 'Submit EEI'. Further down are 'Templates' (Save as a Template, Load Template) and 'Options' (Main Menu, Log Out of AESDirect, Shipments: Create, Retrieve, Reporting, Delete, Profiles: USPPIs, Consignees, Forwarders).

The main area is titled 'AESDirect Assistant' and contains a table with two columns: 'General Information' and 'Commodity Details'. The table rows are highlighted in green and show 'Shipment Information: Complete', 'USPPI: Complete', 'Ultimate Consignee: Complete', and 'Commodity Line 1: Complete'. Below the table is a list of instructions:

- To view an EEI Section, click the down arrow next to the section name in the colored boxes above.
- To edit an EEI Section, select the section to be edited from scrollbox, and click 'Edit Section'
- To send EEI to AESDirect, click 'Submit EEI'

A Mozilla Firefox browser window is overlaid on the interface, displaying the URL 'https://www.aesdirect.gov/aes/system/web.cgi'. The browser title is 'AESDirect Response - Mozilla Firefox'. The page content includes a 'Close Window' button and the heading 'AESDirect Response'. The main message reads: 'EEI for USPPI TAESC912345678 Shipment Ref Nbr MUSTBEUNIQUE! has been transmitted to Customs for processing. Please await AES Internal Transaction Number (ITN) confirmation prior to exporting.'

A prominent white pop-up box with a red border is centered over the browser window. It contains the following text:

**Be sure that you get this final AESDirect Response window.  
You must turn your pop-up blocker OFF on your Internet browser  
in order to receive this message.**

**\*\*\*If you do not get this message, your shipment WILL NOT be submitted.\*\*\***

Below the pop-up, the browser window shows a table with columns for 'Mode of Transport', 'Carrier SCAC/IATA', 'Conveyance Name', and 'Vessel Flag'. The table contains one row with the following data:

Mode of Transport	Carrier SCAC/IATA	Conveyance Name	Vessel Flag
	AA - AMERICAN AIRLINES, INC (AMERICAN EAGL	American Airlines	

**Your shipment is now being transmitted for processing...**

You will receive a confirmation email with either your ITN or a Fatal Error(s).

If you receive a Fatal Error(s), your shipment has not been added and you will not receive the Internal Transaction Number (ITN). Please retrieve the shipment and utilize Appendix A of the Automated Export System Technical Interface Reference (AESTIR) located at <http://www.census.gov/foreign-trade/redirects/aestir-appendix-a.html> to correct your error(s). Once your error(s) have been corrected, resubmit the shipment and await the ITN.
