

Shipping Disclaimer:

This product is shipped to customer (hereafter 'buyer') under (Incoterms 2000) FOB-Freight Onboard. Svtronics, Inc (hereafter 'seller') is responsible for the inland transport of the goods to named point of shipment. The buyer assumes all risk and responsibility from point of shipment to point of destination including but not limited to import clearance, duties, and delivery to final destination.

Buyer's Responsibilities:

- 1) Buyer must pay for the goods as per the sales contract
- 2) Buyer must obtain all commercial documentation, licenses, and authorizations required for import and arrange for import clearance and formalities at own risk and cost.
- 3) Buyer takes delivery of the goods after they have been delivered by the seller to the named place of destination.
- 4) Buyer must assume all risks for the goods from the time the goods have been made available at the named place of destination.
- 5) Buyer pays for all costs of transportation, import customs formalities and duty fees, and all other formalities and charges related to the transportation of the shipment from the time the goods have been made available at the named place of destination.
- 6) Buyer would accept the seller's transport documents provided they conform to the sales contract and will allow the buyer to take possession of the goods after delivery to the named place of destination.

Svtronics, Inc takes no responsibility or liability for customer payment of duties, taxes or arrangement made for customs clearance. In the event buyer is non-compliant, (i.e. with payment of duties, taxes and customs clearance) for purchased item, buyer bears sole responsibility, financial or otherwise, for actions taken by governing authorities. Consequences for non-compliance include but are not limited to additional warehouse fees, auctioning of product, or returning product back to seller. Additional fees or actions taken by governing authority are the responsibility of buyer. In the event product is returned back to seller, buyer is responsible for all resultant cost, fees, and penalties incurred including but no limited to freight cost, duties, taxes, customs clearance fees, etc.

Compliance with Laws:

Buyer understands and agrees that product including technical data, is subject to export controls, including U.S. Export Administration Act and its associate regulations, and may be subject to export or import regulations in other countries. Customer agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export or import product.
